Llandyfaelog Show committee hope that the last show of the season will be well supported.

In order to ensure that all the arrangements regarding biosecurity are adhered to, may we ask all competitors, judges and visitors to ensure that their vehicles and belongings and protective clothing are clean and that you observe and appreciate the need for the measures in place to prevent contamination. We will ask those with dirty vehicles to leave and also refuse entry to specific areas if there is manure on shoes and wellingtons.

Disinfectant along with water and soap will be available at strategic points. Do please use them.

Should you wish to see a full copy of our biosecurity plan please contact the Secretary.

We look forward to a successful and incident free show and to welcoming you all.

of Reflexologists
Consultant for NYR Organic

I offer a unique complementary health experience, tailor made for your individual needs. Enjoy a new recharged you, take a look at life from a new healthier perspective.

Advanced Clinical Reflexology

is a holistic treatment based on the principle that there are reflex points on the face/ears/feet/hands that map via the nervous system to corresponding parts of our body.

Research shows that at a single reflexology session – creates relaxation, reduces anxiety, improves blood flow, decreases heart rate and blood pressure, relieves muscle aches and spasms.

Facial Rejuvenation Reflexology

The treatment takes 30 minutes. Facial Reflexology aims to help your entire body function at its optimal level, with one major side effect – A younger, radiant, glowing complexion. I use the most exquisite organic oils – The oils are rich in essential nutrients, antioxidants and vitamins.

Swedish Body Massage/Hot Stone Massage

The most popular being the back/neck and shoulders massage.

Sessions last from 30minutes to 1 hour.

Massage can be effective for lower back pain, stress relief, help improve sleep, be a beneficial and integrative treatment plan for those who suffer with fibromyalgia, can aid in the relief of post-operative pain relief, effective therapy for those who suffer with tension headaches.
