## BIOSECURITY ISSUES

Llandyfaelog Show committee hopes that the show of the season will be well supported.

In order to ensure that all arrangements regarding biosecurity are adhered to, may we ask all competitors, judges and visitors to ensure that their vehicles and belongings and protective clothing are clean and that you observe and appreciate the need for the measures in place to prevent contamination. We will ask those with dirty vehicle to leave and also refuse entry to specific areas if there is manure on shoes and wellingtons.

Disinfectant along with water and soap will be available at strategic points. Do please use them.

Should you wish to see a full copy of our biosecurity plan please contact the Secretary.

We look forward to a successful and incident free show and welcoming you all.

# The Bowen Technique

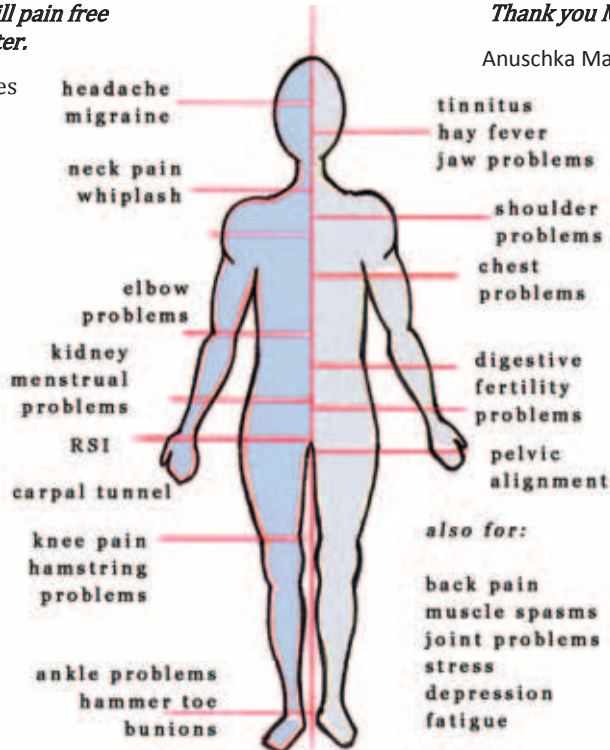

## PAIN RELIEF

*"4 weeks of sciatica was enough! I had to do something about the constant pain. I was pain free in 3 treatments and can safely say I'm still pain free 4 months later.*

Marie Davies

*"A brilliant way to eliminate pains; bad shoulder and bad back and both were sorted 100% without painkillers. Thank you Mary!"*

Anuschka Marsman

*"Following a knee injury resulting in a broken medial patella ligament, I was left in constant pain with limited knee movement. This was very restrictive to my work as a farm animal vet. After no improvement over time, Mary tried The Bowen Technique on me. The improvement was incredible and after two treatments two week apart I was almost back to normal.*

*By now, I am back training rugby with no discomfort."*
