

Application for Indoor Trade Stands at the Llandyfaelog Show **Saturday 12th September 2026 at Carmarthen Showground**

Applications for Indoor Trade Stands must be received by Wednesday 26th August and paid for by Wednesday 2nd September 2026.

Trade Stand Information

Indoor Space

- Indoor space is on one or more 6-foot tables, provided by the society; please indicate the number of tables required. **£20** per table.
- Alternatively, exhibitors can use their own 6-foot table(s); please indicate the number of tables to be brought. **£15** per table.
- To facilitate accurate set-up and to prevent encroachment into a neighbouring trader's area, the width of any minor additional space required (e.g. for shelves, rails, or display racking) *alongside* the frontage generated by your table(s), will need to be declared in advance.

Electrical Requirements

- Silent generators are permitted for both indoor and outdoor trade stands.

Water Requirements

- There will be no direct water supply for trade stands. There is a water supply on the show field although a means of carrying water must be supplied by the trader.

Admission

- Trade stand exhibitors will be allowed **one free entry per trade stand**.
- Entry for additional people required to help run your stand, at the public rate of **£10.00** per person, can be paid for beforehand, at the same time as your table is paid for. They will then be able to enter the showground without further payment.
- Any additional people required to help you run your stand who haven't paid beforehand can pay at the gate upon entry.
- Gate Stewards will have a list of stallholders, along with details of any pre-payment made for additional personnel. To expedite admission, please quote your invoice number to the Gate Steward on entry.

Setting up

- Setting up is between 7.00am and 9.00am, and all vehicles **must** be moved to the allocated parking area by 9.00am.
