BIOSECURITY ISSUES

Llandyfaelog Show committee hopes that the last show of the season will be well supported.

In order to ensure that all arrangements regarding biosecurity are adhered to, may we ask all competitors, judges and visitors to ensure that their vehicles and belongings and protective clothing are clean and that you observe and appreciate the need for the measures in place to prevent contamination. We will ask those with a dirty vehicle to leave and also refuse entry to specific areas if there is manure on shoes and wellingtons.

Disinfectant along with water and soap will be available at strategic points. Do please use them.

Should you wish to see a full copy of our biosecurity plan please contact the Secretary.

We look forward to a successful and incident free show and welcoming you all.
